

## COMMUNITY PROGRAMMES ASSISTANT

Community Programmes Assistants will support a number of initiatives to promote place-based community development and sharing in communities.

They will be part of a team working across the city to deliver projects including: Wear & Share, Share Shacks, Repair Cafés and Street Share as well as place-based community interventions including Low Traffic Neighbourhoods, Active Streets and activities in parks and green spaces.

This is a varied and exciting role which will require good interpersonal skills and the ability to work as part of a team.
