

## ESSEX BASED Bike Delivery Driver Volunteer

The Active Wellbeing Society is a community benefit society and cooperative working to build healthy, happy communities living active and connected lives. We deliver a wide range of free activities and services aimed at improving wellbeing at an individual and community level.

Essex Pedal Power was established to give out free bikes to priority wards of Jaywick Sands and Clacton, to increase physical activity, improve mental health and increase job and training opportunities. Our aims are to overcome the barriers to cycling, encourage sustainable travel with those who are usually excluded and improve the health and wellbeing of residents encouraging more people to cycle in and around the city; making Clacton and Jaywick Sands healthier, greener, safer and less congested. We provide cycle training, Bikeability training, led rides, loan bikes, recycled bikes and in partnership with Cycling UK develop community clubs to offer a pathway for continued engagement.

**Volunteering with the Essex Peddle Power Team you will** be helping provide local eligible residents with bikes. These bikes are given out at our give away events. The bikes will need to be transported from our storage facility to these events.

We also transport prebuilt bikes from our storage facility to our bike building venue and then these are returned once built.

Your own van, full driving licence, MOT and insurance covering volunteering work are required for this role.

- To always have a point of contact should you have any questions.
