

Sharing Volunteer

Share Shack Support Role

The Active Wellbeing Society is a community benefit society and cooperative working to build healthy, happy communities living active and connected lives. We deliver a wide range of free activities and services aimed at improving wellbeing at an individual and community level.

Share Shack is a space to share, learn, create, and grow. A space to connect with each other by borrowing, repairing, re-using and being creative. A place to celebrate what we have in our community. We have numerous shacks across the city. We are looking for individuals who have a passion for reducing consumption and waste, bringing people together, and wanting to make a difference to your community.

Volunteering with the Share Shack Team you will help deliver share shack activities for the local people, sharing your skills and experience by:

- meeting and greeting visitors & participants as they arrive at the Share Shack.
- helping to signpost people into activities, loaning items or additional support.
- helping to manage the library of things using our on line platform.
- signing individuals up to become community members for TAWS, enabling them to borrow items.
- talking to people coming in to the Share Shack to gain feedback regarding sessions/activities they would like available.
- working with the community to help improve the facility and offer what they want.
- basic administration around loaning items, activities and consultations, including signing people in.
- general housekeeping duties to support the whole team in keeping things in order.
- helping people to live happier healthier more connected lives.

As a Share Shack Volunteer, you can expect:

- to make a difference to the local community by bringing people together and play a big part in the growth of this amazing project and its good news stories.
- to be part of a fun and welcoming team, where you will be offered an induction to volunteering on the project and full training appropriate to your role.
- to be kept in the loop about plans for the project and good news stories.
- to expand your skills around administration and working with people.
- encouragement to use your own skills and attributes to enhance the share shack and create good experiences for the participants and yourself.
- Expenses, including mileage covered in line with our volunteer policy.
- You always have a point of contact should you have any questions and be supported in this role to the level you require.
- You will have the opportunity to build skills and confidence through an individual development plan.

If you understand the changes we are working towards and want to help achieve our projects aims, we want to hear from you!
